

School Improvement Priorities 2026-2027

1

1. Craigbank Vision, Values & Aims

Focus: Who we are and what matters to us

- Work with children, families, staff and partners to refresh our school vision, values and aims
- Strengthen our shared Craigbank identity
- Make sure our values are visible in how we learn, behave and work together
- Continue to strengthen children's sense of belonging at Craigbank

2

2. Inclusive Learning for Every Child

Focus: Helping every child engage, participate and achieve

- Work with South Lanarkshire's Inclusive Pedagogy Team
- Strengthen high-quality learning and teaching for all
- Identify and remove barriers to learning
- Develop staff confidence in meeting a wide range of needs
- Strengthen targeted support where children need something additional
- Help more children successfully access learning within their classroom

3

3. High-Quality Learning, Teaching & Assessment

Focus: Working together to improve learning

- Strengthen moderation across Craigbank and our Learning Community
- Develop a shared understanding of standards and expectations
- Use assessment effectively to identify children's next steps
- Share good practice across classes and schools
- Improve consistency in learning and teaching
- Support every child to make the best possible progress

Every improvement we make this year is focused on ensuring that our children feel that they belong at Craigbank, are included and supported, experience high-quality learning and are given every opportunity to achieve.
